DECISION

MGE/144555

PRELIMINARY RECITALS

Pursuant to a petition filed October 12, 2012, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the St. Croix County Department of Human Services in regard to Medical Assistance, a hearing was held on December 18, 2012, at New Richmond, Wisconsin. A hearing scheduled for November 29, 2012, was rescheduled at the petitioner's request.

The issue for determination is petitioner's appeal is timely.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. The petitioner (CARES # [REDACTED]) is a resident of St. Croix County.
2. The county agency notified the petitioner on March 21, 2012, that she would be eligible for medical assistance as of November 1, 2012.

3. The petitioner appealed the agency's decision on October 12, 2012, requesting benefits retroactive to September 2011.

DISCUSSION

Medical assistance recipients must appeal negative decisions within 45 days of the date of the decision or the date that the decision takes effect, whichever is later. Wis. Admin. Code § HA 3.05(3). If an appeal is filed late, the Division of Hearings and Appeals loses its legal authority to consider the matter and must dismiss it. The county notified the petitioner on March 21, 2012, that she would be eligible for medical assistance retroactive to November 1, 2011. After her son got a medical bill from the nursing home, she filed an appeal on October 12, 2012, requesting that the benefit be made retroactive to September 2012 in order to cover the bill. Her son admits that the appeal is well beyond the 45-day deadline but points out that he was busy with work and his parents' problems. While I understand his difficulties, Wisconsin law does not allow an exception to the appeal deadline for extenuating circumstances. As a result, I must find that I have no jurisdiction to consider the appeal and dismiss it.

CONCLUSIONS OF LAW

The petitioner's appeal is untimely.

THEREFORE, it is

ORDERED

The petitioner's appeal is dismissed.
