The issue for determination is whether the action by the PACU to intercept petitioner's tax refunds is appropriate.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Dane County.
2. The Department determined an overpayment under the W-2 program on April 20, 2012. On that date, the Department mailed petitioner a Wisconsin Works Overpayment Notification indicating

an overpayment of \$990.00. The notice explained that petitioner could ask for a review of the finding within 45 days.

3. Petitioner called the county agency on April 23, 2012 to ask about the overpayment notice.
4. Petitioner never asked for a review or appeal of the overpayment finding.
5. The Public Assistance Collections Unit issued a tax intercept notice to petitioner on October 12, 2012 for overpayment under the W-2 program.
6. Petitioner filed a timely appeal of the tax intercept notice.

Wis. Stat. § 49.85, provides that the department shall, at least annually, certify to the Department of Revenue the amounts that it has determined that it may recover resulting from overpayment of general relief benefits, overissuance of FoodShare and Medical Assistance payments made incorrectly.

The Department must notify the person that it intends to certify the overpayment to the Department of Revenue for setoff from his/her state income tax refund and must inform the person that he/she may appeal the decision by requesting a hearing. *Id.* at § 49.85(3).

The hearing right is described in Wis. Stat. § 49.85(4) (b), as follows:

If a person has requested a hearing under this subsection, the department ... shall hold a contested case hearing under s. 227.44, except that the department ... **may limit the scope of the hearing to exclude issues that were presented at a prior hearing or that could have been presented at a prior opportunity for hearing.**

(Emphasis added)

The petitioner had the opportunity for a prior hearing on the merits of the overpayment but failed to file any timely appeal. The fact that she called the agency to ask about the notice of overpayment demonstrates that she received it was notified of her right to appeal the overpayment finding. Petitioner admitted that she “brushed it off” because it was a “situation that was not my fault.”

I must conclude that the interception action is appropriate. Based upon the above, the determination by the county agency that petitioner was overpaid is affirmed. The Department is required to recover all overpayments of public assistance benefits and the state must take all reasonable steps necessary to promptly correct any overpayment. *See also*, Wis. Stat. § 49.195(3) (...the department shall promptly recover all overpayments made under s. 49.19....); 7 C.F.R. § 273.18(a) (“...The State agency shall establish a claim against any household that has received more food stamp benefits than it is entitled to receive....”), Wis. Stat. § 49.125(1). The Department may utilize tax intercept as a means of recovering the overpayment. *See*, Wis. Stat. § 46.85.

CONCLUSIONS OF LAW

The issuance of the tax intercept notice, and the related effort to collect, was not in error.

THEREFORE, it is

ORDERED

That this appeal is dismissed.
