In the Matter of

[REDACTED]

DECISION

MDD/146415

PRELIMINARY RECITALS

Pursuant to a petition filed September 24, 2012, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Shawano County Department of Social Services in regard to Medical Assistance, a hearing was held on January 30, 2013, at Shawano, Wisconsin.

The issue for determination is whether the petitioner is disabled for the purposes of Wisconsin state medical assistance purposes.

There appeared at that time and place the following persons:

PARTIES IN INTEREST:

Petitioner:

[REDACTED]

Respondent:

Department of Health Services
1 West Wilson Street
Madison, Wisconsin 53703
By: No Appearance

ADMINISTRATIVE LAW JUDGE:

John P. Tedesco
Division of Hearings and Appeals

FINDINGS OF FACT

1. Petitioner is a resident of Shawano County.
2. Petitioner applied for disability benefits with the federal Social Security Administration in 2012.
3. Petitioner applied for state medical assistance ("MA") based on disability in May 2012.
4. The federal Social Security Administration determined that petitioner was not disabled on or around August 21, 2012.

5. Petitioner's application for disability was denied by the DDB on August 22, 2012. Petitioner requested reconsideration and was denied again on January 2, 2013.

DISCUSSION

A person may be eligible for MA if they are blind or disabled. A finding of disability must be in accordance with federal social security/SSI/SSDI standards. See, Wis. Stat. § 49.47(4)(a)4. Because the standards are the same, a finding of no disability for Social Security/SSI/SSDI purposes is binding on a State Medicaid ["MA"] agency. 42 C.F.R. § 435.541(b)(1). Exceptions may occur only if certain conditions exist such as: allegations of a disabling condition different from or in addition to that considered by SSA; or, allegations that the person's condition has changed or deteriorated since the SSA determination. If the person alleges that his or her previously considered condition has changed or deteriorated it must be more than 12 months after the most recent SSA determination, it must also be the case that the person has not applied to SSA for a determination with respect to those allegations. None of the exceptions apply here.

Petitioner has been denied SSI and SSDI following a finding of no disability by the SSA and none of the exceptions apply. The most recent SSA determination that petitioner is not disabled was on August 21, 2012. The testimony at hearing indicated that there has been no significant change in petitioner's condition since the time of the federal and DDB determinations. Therefore, I must conclude that petitioner is not disabled for purposes of for MA. If petitioner has new information or evidence affecting previous SSA determinations she should contact the SSA and supply the SSA with that information.

CONCLUSIONS OF LAW

For the reasons discussed above, petitioner is not disabled as that term is used for MA purposes.

THEREFORE, it is

ORDERED

That this appeal is dismissed.
