In the Matter of

[REDACTED]

DECISION

MGE/146490

PRELIMINARY RECITALS

Pursuant to a petition filed January 10, 2013, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Wisconsin Disability Determination Bureau (DDB or Bureau) in regard to Medical Assistance (MA), a hearing was held on February 7, 2013, at Janesville, Wisconsin.

The issue for determination is whether petitioner is disabled.

There appeared at that time and place the following persons:

PARTIES IN INTEREST:

Petitioner:

[REDACTED]

Petitioner's Representative:

Respondent:

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Rock County.
2. Petitioner applied for MA on July 16, 2012, following significant injuries from an accident. He was found eligible for a short-term form of Medicaid, Presumptive Disability MA. However, in

late November 2012, the Disability Determination Bureau decided that the petitioner did not meet federal disability standards, so his Presumptive Disability MA would have to be discontinued, and his request for Disability-related MA was denied. The Department issued a letter dated December 10, 2012, stating that petitioner was not disabled and that his MA was ending effective December 31, 2012.

3. Prior to or concurrently with the MA application, petitioner also applied for Social Security disability benefits and Supplemental Security Income (SSI). Those benefits were denied on November 26, 2012, with findings of no disability. Social Security concluded that the petitioner, after healing, is capable of light work (not medium or heavy work).
4. The petitioner does not allege any new medical impairment, nor any worsening of the impairments considered in the Social Security decision. The Social Security decision considered the petitioner's right leg amputation, high blood pressure, blood clot history, and history of depression/PTSD.

DISCUSSION

A person between ages 18 and 65, with no minor children, must be blind or disabled to be eligible for MA. A finding of disability must be in accordance with federal social security/SSI standards. See Wis. Stat. § 49.47(4)(a)4. Because the standards are the same, a finding of no disability for Social Security/SSI purposes made within 12 months of the MA application is binding on a State Medicaid (MA) agency. Exceptions may occur only if certain conditions exist such as allegations of a different disabling condition or changes in the previously considered conditions. None of the exceptions apply here. See 42 C.F.R. § 435.541(a); see also U.S. Department of Health and Human Services commentary, 54 Fed. Reg. 236 (1989).

Because petitioner has been denied Social Security/SSI following a finding of no disability, I must conclude that petitioner is not eligible for MA. THIS DECISION HAS NO EFFECT ON THE OUTCOME OF ANY APPEAL THAT THE PETITIONER MAY HAVE BEFORE THE SOCIAL SECURITY ADMINISTRATION.

CONCLUSIONS OF LAW

Petitioner is not disabled as that term is used for MA purposes pursuant to Wis. Stat. § 49.47(4).

THEREFORE, it is

ORDERED

That the petition for review is dismissed.
