PRELIMINARY RECITALS

Pursuant to a petition filed January 23, 2013, under Wis. Admin. Code, §HA 3.03(1), to review a decision by the La Crosse County Dept. of Human Services in regard to FoodShare benefits (FS), a hearing was held on February 21, 2013, by telephone.

The issue for determination is whether petitioner is an ineligible student for FS purposes.

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of La Crosse County.
2. Petitioner received FS while attending [REDACTED] in the fall, 2012 because she was employed 20 hours per week. She had an FS review in January, 2013, during which she reported that she was not working anymore due to a 40-hour per week internship required by her school degree program. She is working for the Women, Infants, and Children (WIC) program.
3. By a notice dated January 28, 2013, the agency informed petitioner that FS would be reduced effective February 1, 2013 because she was ineligible under the FS student rules.

DISCUSSION

A person who is enrolled at least half time in higher education is ineligible for FS unless she meets a specific exemption criterion. 7 C.F.R. §273.5(a); FS Handbook, Appendix 3.15.1. The exemption criteria are found at 7 C.F.R. §273.5(b). A student in higher education can be exempt if he is:

- (1) Under age 18 or over age 49;
- (2) Physically or mentally unfit for gainful employment;
- (3) Receiving Aid to Families with Dependent Children (AFDC);
- (4) Enrolled as a result of participation in the AFDC work program or its successor;
- (5) Employed a minimum of 20 hours per week, or if self-employed, receiving weekly earnings at least equal to the Federal minimum wage multiplied by 20 hours;
- (6) Participating in a state or federally financed work study program during the school year;
- (7) Participating in on-the-job training;
- (8) Responsible for the care of a dependent household member under age 6;
- (9) Responsible for a dependent household member between 6 and 12 if child care is unavailable;
- (10) A single parent responsible for a dependent child under age 12.
- (11) Assigned or placed in the school by or in compliance with a work program, including the Food Stamp Employment and Training (FSET) Program.

See also the FS Handbook, App. 3.15.1. The Handbook provisions differ from the federal regulation in that Wisconsin Works (W-2) eligibility replaces AFDC as described in no. 3 above, there is an additional exemption for a person placed in school through the Workforce Investment Act, and there is an additional exemption for a student “enrolled in an educational program that is designed to be completed in 2 years or less and obtaining certification or a diploma from the program will lead to employment that is in demand.”

Petitioner does not meet any of the exemption reasons. Although she cannot work due to her school requirements, the exemption is only for individuals unable to work due to mental or physical unfitness. I thus must affirm that she is ineligible for FS. The Division of Hearings and Appeals does not have authority to make exceptions to rules unless given such authority within the rules.

CONCLUSIONS OF LAW

The agency correctly removed petitioner from FS eligibility because she is an ineligible student.

THEREFORE, it is

ORDERED

That the petition for review herein be and the same is hereby dismissed.
