DECISION

HMO/146967

PRELIMINARY RECITALS

Pursuant to a petition filed January 26, 2013, under Wis. Stat., §49.45(5)(a), to review a decision by the Division of Health Care Access and Accountability (DHCAA) to uphold an HMO denial of authorization for bariatric surgery, a hearing was held on February 28, 2013, by telephone.

The issue for determination is whether petitioner meets the criteria for gastric bypass.

PARTIES IN INTEREST:

Petitioner:

[REDACTED]

Respondent:

Department of Health Services
1 West Wilson Street
Madison, Wisconsin 53703

By: Lucy Miller, Nurse Consultant

ADMINISTRATIVE LAW JUDGE:

Brian C. Schneider
Division of Hearings and Appeals

FINDINGS OF FACT

1. Petitioner is a resident of La Crosse County who receives MA.
2. Petitioner is 5'3", weighs 284 pounds, and has a body mass index of 50.4 kg/m².
3. In late 2012 Gunderson Lutheran Medical Center requested authorization with the GLHP BadgerCare HMO for gastric bypass surgery. The HMO denied the request by a letter dated January 8, 2013. Petitioner filed this appeal, and the Department's Chief Medical Consultant affirmed the denial.
4. Petitioner has no emergency comorbid condition.

DISCUSSION

Under the discretion allowed by Wis. Stat., §49.45(9), the Department now requires MA recipients to participate in HMOs. Wis. Admin. Code, §DHS 104.05(2)(a). MA recipients enrolled in HMOs must receive medical services from the HMOs' providers, except for referrals or emergencies. Admin. Code, §DHS 104.05(3).

The criteria for approval by a managed care program contracted with the DHCAA are the same as the general MA criteria. See Admin. Code, §DHS 104.05(3), which states that HMO enrollees shall obtain services "paid for by MA" from the HMO's providers. The department must contract with the HMO concerning the specifics of the plan and coverage. Admin. Code, §DHS 104.05(1).

If the enrollee disagrees with any aspect of service delivery provided or arranged by the HMO, the recipient may file a grievance with the department or appeal to the Division of Hearings and Appeals. Just as with regular MA, when the department denies a grievance from an HMO recipient, the recipient can appeal the department's denial within 45 days. Wis. Stat., §49.45 (5); Admin. Code, §DHS 104.01(5)(a)3.

Wis. Stat., §49.46(2)(f) provides as follows concerning MA benefits: "Benefits under this subsection may not include payment for gastric bypass surgery or gastric stapling surgery unless it is performed because of a medical emergency."

The criteria for approval of a gastric bypass, as of September 1, 2011, are as follows:

The approval criteria for PA requests for covered bariatric surgery procedures include ... the following:

The member has a body mass index greater than 35 with at least one documented high-risk, life-limiting comorbid medical conditions capable of producing a significant decrease in health status that are demonstrated to be unresponsive to appropriate treatment. There is evidence that significant weight loss can substantially improve the following comorbid conditions:

- Sleep apnea.
- Poorly controlled Diabetes Mellitus while compliant with appropriate medication regimen.
- Poorly controlled hypertension while compliant with appropriate medication regimen.
- Obesity-related cardiomyopathy.

ForwardHealth Update, No. 2011-44, effective September 1, 2011. There also must be documented prior attempts to lose weight, three months participation in a weight loss program, and medical and psychological evaluations to determine if the person is an appropriate candidate for such surgery.

The use of the Department's periodic Updates to set MA coverage guidelines is approved by law. See, Wis. Admin. Code, §DHS 108.02(4). The criteria at issue here were drafted because of the mandate that gastric bypass is limited to medical emergencies. Wis. Admin. Code, §DHS 107.06(4)(h).

Although petitioner has some serious health concerns with her weight, her condition does not meet the criteria for HMO coverage of the requested surgery.

CONCLUSIONS OF LAW

Petitioner's BadgerCare HMO correctly denied the request for gastric bypass surgery because there was no evidence of a medical emergency in the request.

THEREFORE, it is ORDERED

That the petition for review herein be and the same is hereby dismissed.
