DECISION

BCC/147553

PRELIMINARY RECITALS

Pursuant to a petition filed February 22, 2013, under Wis. Stat. § 49.45(5)(a), to review a decision by the Milwaukee Enrollment Services in regard to Medical Assistance, a telephonic hearing was held on April 10, 2013, at Milwaukee, Wisconsin.

The issue for determination is whether the petitioner's appeal of the November 1, 2012 discontinuance of her BadgerCare Core Plan benefits is timely.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Milwaukee County who received BadgerCare (BC) Core Plan benefits for herself as a BC household of one.

2. The Milwaukee Enrollment Services sent an October 19, 2012 notice to the petitioner at her correct address that her BadgerCare (BC) Plus Core Plan renewal application must be completed (including the \$60 non-refundable processing fee) by November 1, 2012 or her BC benefits would discontinue. That notice stated that any hearing request must be received at the Division of Hearings and Appeals (DHA) within 45 days of the notice's effective date (December 17, 2012). See Exhibit 1.
3. The petitioner received the October 19, 2012 notice (Exhibit 1).
4. The petitioner faxed a February 22, 2013 appeal letter to Milwaukee county agency which was then transferred to the Division of Hearings and Appeals (DHA) which was received at DHA on February 26, 2013.
5. There is no evidence in the hearing record that petitioner requested a DHA appeal regarding the November 1, 2012 BC discontinuance prior to February 22, 2013.

DISCUSSION

An Administrative Law Judge (ALJ) can only hear cases on the merits if there is jurisdiction to do so. There is no jurisdiction if a hearing request is untimely. **An appeal of a negative action by a county agency concerning Medical Assistance (MA) must be filed within 45 days of the date of the action. Sections 49.45(5) and 49.50(8), Wis. Stats.; Income Maintenance Manual, II-G-3.4.0.** An appeal of a negative action concerning FS must be filed within 90 days of the date of that action. 7 C.F.R., §273.15(g). A negative action can be the denial of an application, reduction, incorrect effective date of eligibility for benefits, the incorrect calculation of benefits or payments, termination of an ongoing case, or an overpayment notice. In this case, the negative action was the November 1, 2012 discontinuance of petitioner's BadgerCare Core Plan due to failure to timely complete her required review including paying her mandatory \$60 non-refundable processing fee. See Exhibit 1.

During the April 10, 2013 hearing, petitioner admitted that she received the October 19, 2012 notice stating that her BC Core Plan would discontinue as of November 1, 2012 if he did not timely complete her BC review. There was no evidence that anyone at MES attempted to prevent the petitioner from filing a timely appeal at DHA. The petitioner was not able to provide any valid reason or good cause for not filing an appeal with DHA during the 45 day period (until December 17, 2012) after receiving the October 19, 2012 notice discontinuing her BC Core benefits effective November 1, 2012. Accordingly, for the above reasons, I must conclude that because petitioner did not appeal the November 1, 2012 BC Core Plan discontinuance within the 45-day time limit, the Division of Hearings and Appeals has no subject matter jurisdiction to address the November 1, 2012 BadgerCare discontinuance issue in this case.

CONCLUSIONS OF LAW

There is no subject matter jurisdiction regarding the November 1, 2012 discontinuance of petitioner's BadgerCare Core Plan benefits, as the appeal is untimely.

THEREFORE, it is

ORDERED

The petition for review herein be and the same is hereby Dismissed.
