DISCUSSION

Petitioner (CARES # [REDACTED]) filed an appeal on February 21, 2013 contesting FoodShare and MA overpayments. Prior to scheduling a hearing the Division of Hearings and Appeals was notified that petitioner already had appeals in these matters. A review of petitioner's appeal history shows that on August 24, 2012, petitioner filed an appeal concerning a FoodShare tax intercept, an order compelling payment of an MA overpayment, and also an issue of non-payment of a medical bill from a surgery. Three files were opened, MNP-143438, FTI-1435453, and MAC-143454. A hearing was scheduled on October 3, 2012, and petitioner did not appear. All three appeals were dismissed on October 5, 2012. The hearing notices and dismissal orders were sent to the same address supplied by petitioner in this appeal. Petitioner did not request a rehearing within the time limits.

Because petitioner already had an appeal concerning the MA overpayment, he is not entitled to another one. The prior case was dismissed, and thus the issue is decided. The current appeal will be dismissed.

THEREFORE, it is

ORDERED

That the petition for review herein be and the same is hereby dismissed.
