FINDINGS OF FACT

1. The petitioner (CARES # [REDACTED]) is a resident of Barron County.
2. The petitioner seeks payment for blood work done on October 12, 2012 at Lakeview Medical Center.

DISCUSSION

The petitioner is a Family Planning medical assistance recipient who had blood work done on October 12, 2012, at Lakeview Medical Center. The Department denied payment of the claim but did not explain its decision in writing or appear at the hearing. After the hearing, Eileen McCray, an analyst with the Family Planning Unit of the Department of Health Services, indicated that she had talked with the provider and that the program would pay the claim as soon as the provider submitted a new bill. I will dismiss the matter but will give the petitioner the right to file a new appeal if the claim is not paid.

CONCLUSIONS OF LAW

There is no issue for determination.

THEREFORE, it is

ORDERED

The petitioner's appeal is dismissed. Nothing in this decision prevents the petitioner from filing a new appeal if the Department does not pay the claim that is the subject of this decision within 45 days.
