FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Milwaukee County.
2. Petitioner's daughter, KS, received Supplemental Security Income (SSI) and thus also received MA because SSI recipients are automatically eligible for MA.
3. The Social Security Administration informed petitioner that SSI would end for KS because it determined that she no longer was disabled. Accordingly MA was scheduled to end.

4. On April 9, 2013 and April 26, 2013, the county agency sent petitioner notices informing her that MA was denied for KS because she did not meet eligibility requirements.

DISCUSSION

To be eligible for MA, an adult female under age 65 must be disabled, blind, pregnant, or the caretaker of minor children. Wis. Stat., §§49.46(1) and 49.47(4). To qualify as disabled, a person must meet the definition of that term as it is used for SSI purposes. Wis. Stat., §49.47(4)(a)4. Anyone who receives SSI benefits is entitled to receive MA as "categorically needy" under Wis. Stat., §49.46(1)(a)4. Conversely, when SSI eligibility ends so does that person's entitlement to MA under the provisions of this statutory section.

In petitioner's case, because SSI was ending due to a finding that KS was no longer was disabled, so too would MA end. There was no testimony offered which would have otherwise qualified KS for MA benefits. At this point KS can be non-financially eligible for MA only if the Social Security Administration reverses its disability determination.

CONCLUSIONS OF LAW

Petitioner's daughter, KS, is no longer eligible for MA because her SSI eligibility ended.

THEREFORE, it is ORDERED

That the petition for review herein be and the same is hereby dismissed.
