DECISION

KIN/149411

PRELIMINARY RECITALS

Pursuant to a petition filed May 14, 2013, under Wis. Stat. § 48.57(3m)(f), and Wis. Admin. Code § DCF 58.08(2)(b), to review a decision by the Perez-Pena Limited in regard to Kinship Care, a hearing was held on June 19, 2013, at Milwaukee, Wisconsin.

The issue for determination is whether the Department’s agent correctly denied the petitioner’s Kinship Care benefits for three children.

There appeared at that time and place the following persons:

PARTIES IN INTEREST:

ADMINISTRATIVE LAW JUDGE:

Division of Hearings and Appeals

FINDINGS OF FACT

1. Petitioner is a resident of Milwaukee County.
2. The petitioner is the grandmother of ██████ ██████ (KG), age 1, ██████ ██████ (DG), age 3, and ██████ ██████ (AG), age 5. This decision may refer to all of them as “the children.”

3. The mother of the children, [REDACTED] [REDACTED], lives at various locations in Milwaukee County. She is employed by [REDACTED], but makes no financial contribution to the petitioner for her children's care. There is no record of her having drug abuse (AODA) or mental health issues. She does not have regular contact with her children.
4. The father of the children, [REDACTED] [REDACTED], resides in Milwaukee County with the mother of his other children. He formerly resided with the petitioner, but moved out in November 2012. He formerly worked at [REDACTED], but became unemployed approximately two months ago. He has a good relationship with the above three children, and visits them daily. The father has no AODA or mental health issues.
5. The children have been residing with the petitioner since at least the fall of 2013. Their residence with the petitioner is with the consent of their mother and father. The petitioner was supervising the children's medical and school status, and providing for their needs during the application period. The oldest child successfully attends regular education classes, and the children do not have diagnosed emotional problems. They do not have medical problems, and have been adequately immunized. At home visit, the petitioner's residence was deemed satisfactory. The children have not been adjudicated as juvenile delinquents, and are not truant. The petitioner has an open Medicaid and FoodShare case for all three children.
6. The petitioner applied for Kinship Care benefits on April 1, 2013. The home visit/assessment was performed on April 5, 2013. Based on the contract agency's report, the Bureau determined that the children did not meet any of the criteria as a child in need of protection, per Wis. Stats. §48.57(3m)(am)2. Therefore, the Department issued a denial notice for the children to the petitioner on May 5, 2013.

DISCUSSION

I. INTRODUCTION.

The Kinship Care benefit is a public assistance payment of \$220 per month per child paid to a qualified relative who bears no legal responsibility to support the child. In Wisconsin, this benefit replaces the former Non-Legally Responsible Relative (NLRR) Aid to Families with Dependent Children (AFDC) payment (see, Wis. Stat. § 49.19). To be eligible for the payments thereunder, the relative must meet all of the conditions set forth in Wis. Stat. §§ 48.57(3m)(am)(1-5) or 48.57(3n)(am)(1-6). See also, Wis. Admin. Code ch. DCF 58.

The eligibility/review criteria for a relative who is a guardian under §48.977 versus a relative who is not a §48.977 guardian are different. There is no evidence in the record that the petitioner is a §48.977 guardian.

For Kinship Care cases in which the relative is not a §48.977 guardian, all of the conditions listed in §48.57(3m)(am) must be met. The pertinent "conditions specified in par. (am)" here are as follows:

1. The kinship care relative applies to the county department or department for payments under this subsection and the county department or department determines that *there is a need for the child to be placed with the kinship care relative* and that the placement with the kinship care relative is in the best interest of the child.
2. The county department or department determines that *the child meets one or more of the criteria specified in s.48.13* or

938.13 or that the child would be at risk of meeting one or more of those criteria if the child were to remain in his or her home.
(*emphasis added*)

Id., (3m)(am)1,2.

II. “NEED FOR THE PLACEMENT”

The code elaboration on the “need for the Kinship Care placement/living arrangement” is as follows:

DCF 58.10 Eligibility criteria. Before approving an application for a kinship care payment, an agency shall determine that all of the following criteria are met:

(1) NEED OF THE CHILD. (a) The child needs the kinship living arrangement. The agency shall determine that the child needs the kinship living arrangement by determining at least *one* of the following:

1. The child’s need for adequate food, shelter and clothing can be better met with the relative than with the child’s parent or parents.
2. The child’s need to be free from physical, sexual or emotional injury, neglect or exploitation can be better met with the relative than with the child’s parent or parents.
3. The child’s need to develop physically, mentally and emotionally to his or her potential can be better met with the relative than with the child’s parent or parents.
4. The child’s need for a safe or permanent family can be better met with the relative than with the child’s parent or parents.

Wis. Admin. Code §DCF 58.10(1)(a) (November, 2008). The petitioner’s residence, per the home assessment, is suitable. She treats the children appropriately. Accordingly, the Department’s agent did not deny the application on the basis of the “no need for the living arrangement” criterion.

III. THE CHILDREN DO NOT FIT A CATEGORY UNDER WIS. STAT. § 48.13.

The children’s situation must also satisfy the test at §48.57(3m)(am)2 – “the child meets one or more of the criteria specified in s.48.13 or 938.13.” Section 938.13 refers to juvenile delinquents and truants; these children are not juvenile delinquents or truants.

The shopping list of §48.13 criteria is as follows:

48.13 Jurisdiction over children alleged to be in need of protection or services. ...

- (1) Who is without a parent or guardian;
 - (2) Who has been abandoned;
 - (3) Who has been the victim of abuse, as defined in s.48.02
 - (4) Who has been the victim of abuse, as defined in s.48.02
- (1)(a),(b),(c), (d), (e), or (f), including injury that is self-inflicted or inflicted by another;
- (3m) Who is at substantial risk of becoming the victim of

abuse, as defined in s.48.02(1)..., including injury that is self-inflicted or inflicted by another, based on reliable and credible information that another child in the home has been the victim of such abuse;

(5) Whose parent or guardian signs the petition requesting jurisdiction under this subsection and is unable or needs assistance to care for or provide necessary special treatment or care for the child;

(6) Who has been placed or care or adoption in violation of law;

(8) Who is receiving inadequate care during the period of time a parent is missing, incarcerated, hospitalized or institutionalized;

(9) Who is at least age 12, signs the petitioner requesting jurisdiction under this subsection and is in need of special treatment or care which the parent, guardian or legal custodian is unwilling, neglecting, unable or needs assistance to provide;

(10) Whose parent, guardian or legal custodian neglects, refuses or is unable for reasons other than poverty to provide necessary care, food, clothing, medical or dental care or shelter so as to seriously endanger the physical health of the child;

(10m) Whose parent, guardian or legal custodian is at substantial risk of neglecting, refusing or being unable for reasons other than poverty to provide necessary care, food, clothing, medical or dental care or shelter so as to endanger seriously the physical health of the child, based on reliable and credible information that the child's parent, guardian or legal custodian has neglected, refused or been unable for reasons other than poverty to provide necessary care, food, clothing, medical or dental care or shelter so as to endanger seriously the physical health of another child in the home;

(11) Who is suffering emotional damage for which the parent, guardian or legal custodian has neglected, refused or been unable and is neglecting, refusing or unable, for reasons other than poverty, to obtain necessary treatment or to take necessary steps to ameliorate the symptoms;

(11m) Who is suffering from an alcohol and other drug abuse impairment, exhibited to a severe degree, for which the parent, guardian or legal custodian is neglecting, refusing or unable to provide treatment; or

(13) Who has not been immunized as required by s.252.04 and not exempted under s.252.04(3).

[numbering shown as in the statute]

Wis. Stat. 48.13.

The children did not fit into one of the criterion at §48.13 at the time of the 2013 Kinship Care denial. Their father has not abandoned, neglected, or abused them in the past. Accordingly, there is insufficient evidence for me to conclude that they have been or will be neglected for a reason other than poverty. Because the children did not fit any of the §48.13 criteria, the children were not eligible for Kinship Care payments pursuant to the 2013 application. The petitioner may wish to ask the parents to give her money to help in raising their children.

CONCLUSIONS OF LAW

1. The Department correctly determined that the children in this case did not meet any of the criteria at Wis. Stat. §48.13, at the time of the 2013 application.

THEREFORE, it is

ORDERED

That the petition is dismissed.
