DECISION

MGE/150027

PRELIMINARY RECITALS

Pursuant to a petition filed June 17, 2013, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Dane County Department of Human Services in regard to Medical Assistance, a hearing was held on July 08, 2013, at Madison, Wisconsin.

The issue for determination is whether the Department erred in denying petitioner application for MA.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Dane County.

2. Petitioner applied for medical assistance on April 24, 2013.
3. The Department determined that petitioner had assets available in excess of the \$2,000 asset limit. These assets included retirement accounts and a checking account totaling more than \$12,000.
4. The Department determined petitioner was not eligible.
5. Petitioner appealed.

DISCUSSION

At the time of hearing, petitioner was unable to articulate any basis for the appeal. Given several opportunities she repeatedly stated that she did not believe the Department did anything incorrect and that she was simply not aware of the rules relating to assets. Petitioner conceded that she recently cashed out her IRA and is living off those assets at this point. She did not dispute the amount of assets asserted by the Department. She believed that she health was bad and would be eligible on that basis “but, obviously not.” On the record before me, I do not see any reason to believe that the agency erred in determining petitioner ineligible.

CONCLUSIONS OF LAW

The Department did not err in determining petitioner ineligible for MA.

THEREFORE, it is **ORDERED**

That this matter is dismissed.
