PRELIMINARY RECITALS

Pursuant to a petition filed June 28, 2013, under Wis. Stat. § 49.45(5)(a), to review a decision by the Chippewa County Department of Human Services in regard to Medical Assistance, a hearing was held on July 24, 2013, at Chippewa Falls, Wisconsin.

The issue for determination is whether the petitioner's appeal is timely.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. The petitioner (CARES # [REDACTED]) is a resident of Chippewa County.
2. The county agency notified the petitioner on March 19 2013, that her BadgerCare Plus Core Plan benefits would end as of April 1, 2013, because she failed to complete a renewal application.
3. The petitioner filed her appeal on June 28, 2013.

DISCUSSION

Medical assistance recipients must appeal negative decisions within 45 days of the date of the decision or the date that the decision takes effect, whichever is later. Wis. Admin. Code § HA 3.05(3). If an appeal is filed late, the Division of Hearings and Appeals loses its legal authority to consider the matter and must dismiss it. The county agency notified the petitioner on March 19, 2013, that her BadgerCare Plus Core Plan benefits would end as of April 1, 2013, because she failed to complete her renewal application. She did not appeal until June 28, 2013, or 87 days after her benefits ended. She contends that it would cause her extreme hardship to lose her benefits because she relies upon medication that she cannot afford. Although I understand her argument, I have no legal authority to consider it. Based upon this, I find that her appeal is late, and uphold the agency's decision.

CONCLUSIONS OF LAW

The Division of Hearings and Appeals has no jurisdiction to consider the petitioner's appeal because it is untimely.

THEREFORE, it is

ORDERED

The petitioner's appeal is dismissed.
