PRELIMINARY RECITALS

Pursuant to a petition filed July 10, 2013, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03, to review a decision by the Disability Determination Bureau in regard to Medical Assistance, a hearing was held on August 19, 2013, at Menomonie, Wisconsin.

The issue for determination is whether petitioner is disabled.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. Petitioner is a resident of Dunn County.
2. Petitioner is not working.
3. Petitioner applied for MA on April 22, 2013. By letter dated June 5, 2013, the Bureau found that petitioner was not disabled. Petitioner sought reconsideration, but the Bureau affirmed its determination on July 10, 2013.

4. Prior to or concurrently with the MA application, petitioner also applied for Social Security disability benefits and Supplemental Security Income (SSI). Those benefits were denied on July 10, 2013, with findings of no disability.
5. The petitioner does not allege any new medical impairment, nor any worsening of the impairments considered in the Social Security decision

DISCUSSION

The Medicaid Purchase Plan is meant to allow disabled persons who wish to work to receive medical assistance. However, the petitioner is not working, so her matter will be determined the same way as any other MA disability matter is. A person between ages 18 and 65, with no minor children, must be blind or disabled to be eligible for MA. A finding of disability must be in accordance with federal social security/SSI standards. See Wis. Stat. § 49.47(4)(a)4. Because the standards are the same, a finding of no disability for Social Security/SSI purposes made within 12 months of the MA application is binding on a State Medicaid (MA) agency. Exceptions may occur only if certain conditions exist such as allegations of a different disabling condition or changes in the previously considered conditions. None of the exceptions apply here. See 42 C.F.R. § 435.541(a); see also U.S. Department of Health and Human Services commentary, 54 Fed. Reg. 236 (1989).

Because petitioner has been denied Social Security/SSI following a finding of no disability, I must conclude that petitioner is not eligible for MA.

CONCLUSIONS OF LAW

Petitioner is not disabled as that term is used for MA purposes pursuant to Wis. Stat. § 49.47(4).

THEREFORE, it is

ORDERED

That the petition for review is dismissed.
