FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Kenosha County.
2. Petitioner has been receiving Supplemental Security Income (SSI) Related Medicaid (MA) since July 2, 2009.

DISCUSSION

Supplemental Security Income (SSI) is a program based on financial need operated by the Social Security Administration that provides monthly income to low income people who are age 65 or older, blind or disabled. SSI-related Medicaid is the original, basic Medicaid (MA) program for individuals who are elderly, blind, or disabled. Medicaid is also called Medical Assistance, MA, or Title 19.

The issue here is whether jurisdiction is present to reach the merits of the petitioner's appeal. Jurisdiction is available to review a denial, reduction, or sufficiency of MA – or any adverse action taken against the benefit. See, Wis. Adm. Code §§HA 3.03(1) and (4). There is also jurisdiction when there is a failure to act on an application with reasonable promptness. Wis. Adm. Code §HA 3.03(1)(b). In this case, however, there is no evidence that any negative action has been taken against petitioner's SSI-related MA and that his case has been open and ongoing since July 2, 2009. Therefore, there is no negative action for me to consider. Accordingly, this matter is not ripe for adjudication, and jurisdiction is not yet present. Petitioner could not articulate why he filed the appeal. His record indicates that some contact has been made with Society's Assets to arrange for an authorized representative. It is recommended that he consider getting an authorized representative to help him navigate the complexities of public assistance benefits.

CONCLUSIONS OF LAW

This matter is not ripe for adjudication, and jurisdiction is not yet present.

THEREFORE, it is

ORDERED

That the petition for review be dismissed.
