FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Milwaukee County.
2. Petitioner has lived with her mother and siblings at all times relevant herein.
3. On August 3, 2012, the Petitioner applied for FS benefits. She was 19 years old. She reported an address of [REDACTED] [REDACTED]. She reported a household size of one. She reported

employment at [REDACTED], 6 hours/week at \$10.50/hour. She also reported receiving unemployment compensation benefits of \$47/week since July 7, 2012.

4. On August 6, 2012, the agency conducted a FS interview with the Petitioner. The Petitioner reported that her mother owns the home she lived in but also reported that her mother did not live with her. She reported that she pays rent of \$250/month.
5. On August 28, 2012, the agency issued a Notice of Decision informing the Petitioner that she would receive \$200/month in FS benefits effective September 1, 2012. The notice informed the Petitioner that this was based on her gross monthly income of \$662.11 from [REDACTED] and unemployment compensation benefits.
6. On February 6, 2013, the agency issued a Notice of Decision informing the Petitioner that she would receive FS benefits of \$200/month effective February 1, 2013 based on reported gross monthly income of \$399.90 from unemployment compensation benefits.
7. On August 15, 2013, the agency processed Petitioner's SMRF. It issued a Notice of Decision informing the Petitioner that she would receive \$129 for August, 2013 and \$200/month effective September 1, 2013. The notice informed her that this was based on no reported household income.
8. On October 7, 2013, the agency issued a Notice of Decision to the Petitioner informing her that her FS benefits would be reduced to \$189/month effective November 1, 2013. The notice informed her that this was based on no reported household income.
9. On October 18, 2013, Petitioner's mother applied for FS benefits. The Petitioner was not reported as being in the household.
10. On October 24, 2013, the agency received an employment verification from Froedtert Memorial Hospital. The verification indicates that Petitioner's mother LT has been employed at Froedtert since July 1, 2011. It verified her current hours as 32 hours/week at \$13.97/hour. It also provided actual gross wages for the last 30 days as \$1229.50.
11. On November 8, 2013, the agency received an employment verification from [REDACTED] Hospital. The verification indicates that LT has been employed at [REDACTED] since October 29, 2012. It verified her hours as 35 – 60 hours/week at \$15.25/hour. It also provided actual gross wages for the last 30 days as \$2,348.51.
12. Petitioner's two siblings each receive unearned SSI of \$250/month for total unearned household income of \$500/month.
13. On November 4, 2013, the agency issued a Notice of Decision to the Petitioner informing her that her FS benefits would end on December 1, 2013 because she is no longer in her mother's household.

DISCUSSION

In determining eligibility for and the amount of FS to be issued each month, the agency must budget all of a household's nonexempt income. 7 C.F.R. §273.9(b). From that income, certain deductions are allowed. The deductions include a standard deduction, which currently is \$163 per month for a four-person household. 7 C.F.R. §273.9(d)(1); FoodShare Wisconsin Handbook, Appendix 4.6.2. Another deduction is the earned income deduction, which equals 20% of the household's total earned income. 7 C.F.R. §273.9(d)(2); FoodShare Wisconsin Handbook, App. 4.6.3. A third possible deduction is for medical expenses exceeding \$35 in a month for elderly or disabled persons. 7 C.F.R. §273.9(d)(3); FoodShare Wisconsin Handbook, App. 4.6.4. A fourth deduction is for child/dependent care. 7 C.F.R. §273.9(d)(4); FoodShare Wisconsin Handbook, App. 4.6.6. The final deduction is for shelter expenses; the deduction is

equal to the excess expense above 50% of net income remaining after other deductions. 7 C.F.R. §273.9(d)(5); FoodShare Wisconsin Handbook, App. 4.6.7.

The agency must budget the non-exempt earned and unearned income of all household members in determining eligibility. Households consist of all persons living in or temporarily absent from the same residence. A food unit is one or more persons who live in the same household and purchase and prepare food together for home consumption. FoodShare Wisconsin Handbook 3.3.1.1. Parents and children under the age of 22 who reside together must be included in the food unit even if they do not purchase and prepare meals together. FoodShare Wisconsin Handbook 3.3.1.3; see also 7 CFR 273.1(b)(1).

In this case, the Petitioner conceded that she lives with her mother and siblings. Therefore, the earned and unearned income of the Petitioner, her mother and siblings must be counted in determining eligibility. The gross income limit for a household of four was \$3,926. Petitioner's mother had actual earned income of \$1229.50 from [REDACTED] and \$2348.51 from [REDACTED] in October, 2013. For purposes of FS, her earned income was \$3846.35/month (\$1229.50 + \$2348.51 x 4.3 weeks). Unearned income was \$500/month. Total household income was \$4,346.35/month. Because this exceeds the gross limit of \$3,926, the household was not eligible for FS. The agency properly terminated the Petitioner's FS benefits effective December 1, 2013.

CONCLUSIONS OF LAW

The agency properly terminated the Petitioner's FS benefits effective December 1, 2013 for exceeding the gross income limit.

THEREFORE, it is

ORDERED

That the petitioner's appeal is dismissed.
