FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Brown County.
2. Petitioner's son received MA. A recent enrollment renewal was pended for income, which verification was due by January 6, 2014. The case closed due to failure to provide said verification by January 6, 2014.

3. Petitioner filed an appeal of his son's MA termination on January 11, 2013.
4. Subsequently, the agency received the necessary income verification on January 23, 2014, and concluded that the petitioner's son remains eligible for MA. The agency has reopened the MA case with no gap in coverage, so no issue remains for resolution by the ALJ.

DISCUSSION

Because the agency has reopened the petitioner's MA case with no gap in coverage, no issue remains for resolution by the ALJ.

CONCLUSIONS OF LAW

Because the agency has reopened the petitioner's MA case with no gap in coverage, no issue remains for resolution by the ALJ.

THEREFORE, it is ORDERED

That the petition is dismissed.
