

STATE OF WISCONSIN  
Division of Hearings and Appeals

In the Matter of  
Office of the Inspector General, Petitioner

vs.

DECISION  
Case #: FOF - 155601

██████████, Respondent

The Office of the Inspector General (OIG) requested a hearing under 7 C.F.R. §273.16 requesting that a FoodShare (FS) Intentional Program Violation determination be entered against ██████████ ██████████ and that a ten year disqualification penalty be imposed for receipt of FS benefits from the States of Illinois and Wisconsin. At the request of the parties, a hearing set for April 14, 2014 was rescheduled.

Prior to the rescheduled hearing date, Ms. Judy Johnson of the Office of the Inspector General sent an April 15, 2014 letter to the Division of Hearings and Appeals (DHA) stating that the Department of Health Services (DHS) was withdrawing the request for an Intentional Program Violation (IPV) disqualification hearing against the ██████████ ██████████, as she has provided a reasonable explanation that would not meet the guidelines for the Department to correctly pursue an IPV. Therefore, the agency is withdrawing its request for an IPV sanction of the respondent.

**NOW, THEREFORE**, it is **ORDERED**

That the respondent, ██████████ ██████████, is hereby eligible to participate in the FoodShare program as the Department has withdrawn its FS IPV disqualification action against the petitioner.
