**PRELIMINARY RECITALS**

Pursuant to a petition filed February 22, 2014, under Wis. Admin. Code § HA 3.03(1), to review a decision by the Dane County Department of Human Services in regard to FoodShare benefits (FS), a telephonic hearing was held on March 18, 2014, at Madison, Wisconsin.

The issue for determination is whether the county agency correctly reduced the petitioner's FoodShare (FS) benefits from \$73 to \$69 effective February 1, 2014, due to a cost of living increase in his SSI benefits.

There appeared at that time and place the following persons:

**FINDINGS OF FACT**

1. Petitioner (CARES # [REDACTED]) is a resident of Dane County who resides in a household of one.
2. The petitioner receives FoodShare (FS) benefits for a household of one.

3. During January, 2014, the county agency was notified that petitioner's SSI would increase as of February 1, 2014.
4. The county agency sent a January 14, 2014 Notice of Decision to the petitioner stating that effective February 1, 2014, his FS benefits would be reduced from \$73 to \$69, due to the petitioner's cost of living increase in his SSI benefits.

### DISCUSSION

In determining the amount of FS to be issued each month, the county must **budget all income of the FS household, including all earned and unearned income.** 7 C.F.R. §273.9(b). From the gross household income, certain deductions as discussed in the *FoodShare Wisconsin Handbook*, §4.6 are allowed: (1) standard deduction - which currently is \$134 per month for all households. 7 C.F.R. §273.9(d) (1); (2) earned income deduction - which equals 20% of the household's total earned income. 7 C.F.R. §273.9(d) (2); (3) medical expense deduction - for medical expenses exceeding \$35 in a month for an elderly or disabled person. 7 C.F.R. §273.9(d) (3); (4) dependent care deduction for child care expenses. 7 C.F.R. §273.9(d) (4); and (5) shelter expenses deduction - the deduction is equal to the excess expense above 50% of net income remaining after other deductions. 7 C.F.R. §273.9(d) (5). The maximum FS allotment amounts, based on household size, are listed at *FoodShare Wisconsin Handbook*, §8.1.7. The *FS Handbook* can be viewed online at <http://www.emhandbooks.wi.gov/fsh/>.

During the March 18, 2014 hearing, county agency representative, ESS Tari Donnelly, provided petitioner a detailed explanation regarding the calculation of the January 1, 2014 reduction in his FS benefits, and that the county is simply following FS law and policy. During that hearing, petitioner was unable to refute that the county agency correctly calculated the petitioner's FS benefits for a household of one based upon budgeting the cost of living increase for his SSI benefits. In reviewing the county agency's calculation of petitioner's FS benefits based upon FS policy and law, I find no error. Accordingly, for the above reasons, I must conclude that the county agency correctly reduced the petitioner's FoodShare (FS) benefits from \$73 to \$69 effective February 1, 2014, due to a cost of living increase in his SSI benefits.

### CONCLUSIONS OF LAW

The county agency correctly reduced the petitioner's FoodShare (FS) benefits from \$73 to \$69 effective February 1, 2014, due to a cost of living increase in his SSI benefits.
