DISCUSSION

The Petitioner filed a request for Fair Hearing, because he had not been able to obtain clear information regarding what happened to his December 2013 Medicaid application. At the hearing on April 17, 2014, Ms. Mayer indicated that for unknown reasons, the electronic transmission of the Petitioner's application failed. Consequently, she resubmitted it on March 3, 2014 and this time, it was transmitted to the Disability Determination Bureau successfully. Ms. Mayer further indicated that the Petitioner's application is still pending. The Petitioner indicated that the purpose of his hearing request was satisfied by Ms. Mayer's testimony and that he no longer needed a hearing. If I have misunderstood the situation, the Petitioner should review the rehearing instructions below.

The Petitioner should note that if he disagrees with the ultimate decision of the Disability Determination Bureau, concerning his Medicaid benefits, he can file a new request for fair hearing.

CONCLUSIONS OF LAW

There is no issue remaining for resolution by the Division of Hearings and Appeals regarding Petitioner's Medicaid application at this time.

THEREFORE, it is ORDERED

That the petition is dismissed.
