DECISION

MTI/155853

---

**PRELIMINARY RECITALS**

Pursuant to a petition filed March 3, 2014, under Wis. Stat. § 49.85(4), to review a decision by the Public Assistance Collection Unit (PACU) to intercept petitioner's state tax refund to recover a Medical Assistance (MA) overpayment, a hearing was held on March 20, 2014, by telephone.

The issue for determination is whether the Department correctly sought to intercept petitioner's tax refund to collect an MA overpayment.

**FINDINGS OF FACT**

1. Petitioner (CARES # [REDACTED]) is a resident of Monroe County.
2. On February 4, 2013, the agency notified petitioner that she was overpaid \$780 in BadgerCare Plus (BC+) MA from October, 2012 through January, 2013. Petitioner did not appeal.
3. By a notice dated December 13, 2013, the PACU notified petitioner that it intended to intercept her state tax refunds to recover the overpayment.

## DISCUSSION

Wis. Stat., §49.85(2)(a), provides that the department shall, at least annually, certify to the Department of Revenue the amounts that it has determined that it may recover resulting from overpayment of general relief benefits, overissuance of FoodShare, and MA payments made incorrectly.

The Department of Health Services must notify the person that it intends to certify the overpayment to the Department of Revenue for setoff from his/her state income tax refund and must inform the person that he/she may appeal the decision by requesting a hearing. Id. at §49.85(3)(a).

The hearing right is described in Wis. Stat., §49.85(4)(a), as follows:

If a person has requested a hearing under this subsection, the department ... shall hold a contested case hearing under s. 227.44, except that the department ... may limit the scope of the hearing to exclude issues that were presented at a prior hearing or that could have been presented at a prior opportunity for hearing.

MA overpayment recovery is authorized by Wis. Stat., §49.497(1):

(a) The department may recover any payment made incorrectly for benefits provided under this subchapter or s. 49.665 if the incorrect payment results from any of the following:

1. A misstatement or omission of fact by a person supplying information in an application for benefits under this subchapter or s. 49.665.
2. The failure of a Medical Assistance or Badger Care recipient or any other person responsible for giving information on the recipient's behalf to report the receipt of income or assets in an amount that would have affected the recipient's eligibility for benefits.
3. The failure of a Medical Assistance or Badger Care recipient or any other person responsible for giving information on the recipient's behalf to report any change in the recipient's financial or nonfinancial situation or eligibility characteristics that would have affected the recipient's eligibility for benefits or the recipient's cost-sharing requirements.

See also the department's BC+ Handbook, Appendix 28.2. The overpayment must be caused by the client's error. Overpayments caused by agency error are not recoverable. An appeal of a negative action concerning MA must be filed within 45 days of the action. Wis. Stat. §49.45(5)(a). If an appeal is untimely the Division of Hearings and Appeals lacks jurisdiction to consider the petitioner's position on the merits.

Because petitioner did not appeal the MA overpayment, the Division of Hearings and Appeals cannot address its merits now. It is noted that petitioner did appeal a concurrent FoodShare overpayment and the appeal was dismissed. See accompanying decision in case no. FTI-155852.

## CONCLUSIONS OF LAW

The PACU may utilize a tax intercept to recover an MA overpayment that petitioner has not made an effort to repay.

**THEREFORE, it is**

**ORDERED**
