AMENDED DECISION

PRELIMINARY RECITALS

Pursuant to a petition filed December 26, 2013, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Chippewa County Department of Human Services in regard to Medical Assistance, a hearing was held on May 14, 2014, at Chippewa Falls, Wisconsin.

The issue for determination is whether petitioner is disabled. whether the petitioner is disabled.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. Petitioner is a resident of Chippewa County.
2. Petitioner applied for MA last and the Bureau determined that he was not disabled. Petitioner sought reconsideration, but the Bureau affirmed its determination.
3. Prior to or concurrently with the MA application, petitioner also applied for Social Security disability benefits and Supplemental Security Income (SSI). Those benefits were denied on [March 5, 2014](#), with findings of no disability.

4. The petitioner does not allege any new medical impairment, nor any worsening of the impairments considered in the Social Security decision

DISCUSSION

This decision is amended because the original decision found that was disabled. At that time, I did not know that the Disability Determination Bureau had issued a binding social security decision because there was no notation in the file. I am aware that the file had already been sent to the Division of Hearings and Appeals when the Disability Determination Bureau made this decision. However, I have had others where the Bureau had plenty of time to note its decision and has failed to do so. This leads to a good deal of extra work that could be spent doing something productive.

A person between ages 18 and 65, with no minor children, must be blind or disabled to be eligible for MA. A finding of disability must be in accordance with federal social security/SSI standards. See Wis. Stat. § 49.47(4)(a)4. Because the standards are the same, a finding of no disability for Social Security/SSI purposes made within 12 months of the MA application is binding on a State Medicaid (MA) agency. Exceptions may occur only if certain conditions exist such as allegations of a different disabling condition or changes in the previously considered conditions. None of the exceptions apply here. See 42 C.F.R. § 435.541(a); see also U.S. Department of Health and Human Services commentary, 54 Fed. Reg. 236 (1989).

Because petitioner has been denied Social Security/SSI following a finding of no disability, I must conclude that petitioner is not eligible for MA.

CONCLUSIONS OF LAW

Petitioner is not disabled as that term is used for MA purposes pursuant to Wis. Stat. § 49.47(4).

THEREFORE, it is

ORDERED

That the petition for review is dismissed.
