FINDINGS OF FACT

1. Petitioner (61 years old) is a resident of La Crosse County, Wisconsin.
2. Petitioner has degenerative arthritis, back pain, depression, GERD, left shoulder pain, neuropathy in right arm, osteoporosis, numerous allergies, asthma, and other ailments; she has had a bilateral mastectomy (due to cancer); she takes various medications.
3. Petitioner lives in a small apartment in a high-rise; she is not to do repetitive bending or lifting and is restricted to lifting a maximum of 15 pounds; she is unable to perform heavy cleaning tasks; she needs help with budgeting (due to cognitive issues), grocery shopping (unable to lift heavy bags and unable to stay focused), cleaning, laundry, and organizing; she uses a quad cane and a walker for mobility; she uses grab bars in the bathroom; she does not drive and does not own a vehicle.
4. Petitioner currently receives 4 SCH hours per week paid by WWC; in addition, petitioner also receives 5 hours per month of Self-Directed Support ["SDS"] paid for by WWC; WWC also funds home delivered meals 7 days per week (petitioner is unable to prepare supper meals but can make herself small, simple meals).
5. Petitioner requested that CCW increase her SCH hours from 4 hours per week to 6 hours per week.
6. In a letter dated March 13, 2014 one of petitioner's Medical Doctors ["MDs"] states: "I am writing to request that [petitioner] remain at the current weekly hours of home care assistance each week." In a letter dated June 2, 2014 another of petitioner's MDs states: "[Petitioner] has been under my care for greater than 10 years. . . . I am supporting her request to remain at the current level of home care."

DISCUSSION

FCP is available to eligible persons only through enrollment in a Care Management Organization ["CMO"] under contract with the Wisconsin Department of Health Services ["DHS"]. Wis. Admin. Code § DHS 10.41(1) (December 2013). A person may be eligible for FCP, but yet not entitled to enroll in a CMO. Wis. Admin. Code § DHS 10.36(1) (December 2013). A person who is found eligible for FCP but who does not meet certain conditions is not entitled to FCP benefits. Wis. Admin. Code § DHS 10.36(3) (December 2013). Such persons may pay privately for CMO services. Wis. Admin. Code §§ DHS 10.36(3) & 10.37 (December 2013).

In this case petitioner is eligible for FCP, is enrolled in a CMO, and is receiving FCP benefits. Petitioner appeals because she was notified that her SHC hours would not be increased from 4 hours per week to 6 hours per week.

This matter must be decided by the preponderance of the credible evidence. Wis. Admin. Code § HA 3.09(4) (September 2001). The preponderance of the credible evidence in the record of this matter is that 4 hours per week of paid SHC is adequate to meet petitioner's needs. Neither of petitioner's MD's have stated the need for such an increase and, in fact, have indicated that the current level of SCH hours is sufficient. Petitioner has presented no substantial evidence that an increase is necessary. Further, in

addition to her SCH hours petitioner receives 5 hours per month of SDS as well as home delivered meals 7 days per week. Finally, it is noted that WWC's team assessment, using a standard Time and Task Tool, did not indicate that any increase was warranted (in fact, the team assessment indicated that a decreased was warranted).

CONCLUSIONS OF LAW

For the reasons discussed above, petitioner's paid FCP SHC hours are not required to be increased from 4 hours per week to 6 hours per week.

NOW, THEREFORE, it is

ORDERED

That the petition for review herein be and the same is hereby DISMISSED.
