DECISION

FOO/156662

---

**PRELIMINARY RECITALS**

Pursuant to a petition filed April 4, 2014, under Wis. Admin. Code § HA 3.03(1), to review a decision by the Green Lake County Department of Human Services ["County"] in regard to FoodShare benefits ["FS"], a Hearing was held via telephone on September 3, 2014. At petitioner's request Hearings scheduled for August 4, 2014, June 17, 2014, and May 8, 2014 were rescheduled. The Hearing for this matter was held at the same time for the Hearings for the following 2 closely related matters concerning the same petitioner: CTS-156663; and, FOP-156664.

The issue for determination is whether petitioner's 2 sons may be included in petitioner's FS household.

There appeared at that time via telephone the following persons:

### FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Green Lake County, Wisconsin.
2. Petitioner has 2 minor sons (AGJ & ASJ).
3. By a Circuit Court Order dated October 2, 2006 it was ordered that AGJ's father have sole physical placement of AGJ. *Order*, Case No. [REDACTED] (Wis. Cir. Ct. Green Lake County October 2, 2006).
4. By a Circuit Court Order dated October 2, 2006 it was ordered that ASJ's father have sole physical placement of ASJ. *Order*, Case No. [REDACTED] (Wis. Cir. Ct. Green Lake County October 2, 2006).
5. A document filed in Green Lake County Circuit Court on December 17, 2012 pursuant to a Circuit Court Order, signed by both petitioner and the father of her sons, shows that petitioner has visitation with her sons on certain days (1 or 2 days per week) but that her sons do not live with her.
6. Petitioner's 2 sons live with their father, not with petitioner (although petitioner does visit with her sons and have some periods of placement).

### DISCUSSION

In order for a person to get FS for a child the child must be in that person's FS household. *FoodShare Wisconsin Handbook* ["FWH"] 8.1.2. Effective May 1, 2014 petitioner's FS was reduced to \$15 per month because the County concluded that her 2 sons do not live with her. Petitioner is requesting that her 2 sons be included in his FS household.

The basic definition of a *household* for purposes of FS is a group of individuals who live together and customarily purchase food and prepare meals together for home consumption. 7 C.F.R. § 273.1(a)(3) (2011); FWH 3.3.1. The issue here is whether or not petitioner's sons "live with" petitioner for FS purposes.

In cases of parents who do not live together state policy concerning who children "live with" for purposes of FS is as follows:

"Children are included in the household where they reside when they are under the care and control of a parent or other caretaker in that household. There may be situations when the residence of a child is not easily determined. There are many methods that can be used to determine the child's residence. If the residence of a child is questionable, court documents can be used to determine if there is a primary caretaker designated. It may be a situation of joint custody and a 50-50 custody split. If one parent is not designated as primary caretaker, the parents can be asked to decide. Individuals can only be included in one food unit.

"If the parents can not or will not decide, compare the parents' activities and responsibilities against the following list and determine which one is exercising more control than the other:

1. If the parents reside in different school districts, where does the child attend school? Who selected the school?
2. Who assists the child with homework or school-related tasks?
3. Are there tuition costs for the child's education? If so, who pays those costs?
4. If the child is enrolled in day care, who arranges for and pays these costs?
5. Who is responsible for taking the child to and from school and/or day care?
6. Which parent is listed as the contact for emergencies at the child's school or day care provider?
7. Who arranges medical and dental care for the child? Who selects the physician and dentist?
8. Who maintains the child's medical records?

9. Who initiates decisions regarding the child's future?
10. Who responds to medical or law enforcement emergencies involving the child?
11. Who spends money on food or clothing for the child when the child visits the absent parent?
12. Who disciplines the child?
13. Who plays with the child and arranges for entertainment?
14. Are more of the child's toys, clothing, etc. kept at one parent's home than the other's?

Only one parent can receive FS for a child. If it still can not be determined which food unit the child should be in, the caretaker that first applies would be eligible.”

FWH 3.2.1.1.

In this case, it is not necessary to consider the above 14 factors. This is because, although petitioner does have visitation with her sons, her sons do not live with her. This is based on the court documents, one of which is signed by both petitioner and the father of her sons, detailed in the above *Findings of Fact*.

Petitioner testified that she has her sons “a lot”, that she attends middle school orientation, science fairs, baseball, and that she buys school supplies. She testified that she has her sons 17 days out of the month and that they live with her ½ the time. This is not credible in light of the court documents that are part of the record of this matter. Petitioner offered no explanation for the inconsistency between her testimony and the court documents, even when asked.

### **CONCLUSIONS OF LAW**

For the reasons discussed above, petitioner’s 2 sons may not be included in petitioner’s FS household.

### **ORDERED**

That the petition for review herein be and the same is hereby DISMISSED.
