MPA/157469

PRELIMINARY RECITALS

Pursuant to a petition filed May 06, 2014, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Division of Health Care Access and Accountability in regard to Medical Assistance, a hearing was held on June 13, 2014, at Superior, Wisconsin.

The issue for determination is whether the petitioner is entitled to medical assistance reimbursement for an MRI.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. The petitioner (CARES # [REDACTED]) is a resident of Douglas County.
2. The petitioner requested authorization to receive an MRI of her shoulder on March 26, 2014. Her request was denied the next day.

3. The petitioner believes that this MRI had previously been approved.

DISCUSSION

The petitioner seeks an MRI for her shoulder. The Division began requiring prior authorization for advanced imaging such as MRIs in October 2010 under authority granted by Wis. Admin. Code, § DHS 107.02(3)(a). There are several reasons for requiring prior authorization, the most important of which when evaluating imaging requests are “to safeguard against unnecessary or inappropriate care and service; to safeguard against excess payments;...and to determine if less expensive alternative care, services or supplies are usable...” Wis. Admin. Code, § DHS 107.02(3)(b)1., 2., and 4.”

The Division of Health Care Access and Accountability denied the requested MRI because it contends that the petitioner’s provider did not submit enough documentation to justify the request. The petitioner testified that a request had been submitted before the current one and approved. If this is true, there is no need for the current request. I am going to dismiss this matter. If the petitioner’s provider still seeks another MRI, it can submit a new request; if the provider attempts to bill the petitioner for an MRI she has already received, she may file a new appeal. If she does file a new appeal, she should enclose a copy of this decision with her appeal.

CONCLUSIONS OF LAW

There is no issue for determination.

THEREFORE, it is

ORDERED

The petitioner's appeal is dismissed.
