DECISION

MDD/158463

PRELIMINARY RECITALS

Pursuant to a petition filed June 4, 2014, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Dodge County Department of Human Services and Wisconsin Disability Determination Bureau (Bureau or DDB) in regard to Medical Assistance (MA), a hearing was held on July 29, 2014, by telephone. The hearing record was held open for submission of additional medical records from the petitioner, which were received.

The issue for determination is whether the petitioner is disabled for MA purposes.

There appeared at that time the following persons:

FINDINGS OF FACT

1. Petitioner is a resident of Dodge County.
2. Petitioner applied for MA on March 6, 2014. By letter dated May 2, 2014, the Bureau found that petitioner was not disabled. Petitioner sought reconsideration, but the Bureau affirmed its determination on June 18, 2014.

3. Prior to or concurrently with the MA application, petitioner also applied for Social Security disability benefits and Supplemental Security Income (SSI). Those benefits were denied on April 30, 2014, with findings of no disability.
4. The petitioner does not allege any new medical impairment in addition to the impairments considered in the Social Security decision. He did allege a worsening of the impairments considered in the Social Security decision, but available documentation did not confirm that the right-sided carpal tunnel syndrome/pain in the right shoulder and elbow, and degenerative changes to the cervical spine had worsened to a degree that meets the Social Security Disability standards.

DISCUSSION

A person between ages 18 and 65, with no minor children, must be blind or disabled to be eligible for MA. A finding of disability must be in accordance with federal social security/SSI standards. See Wis. Stat. § 49.47(4)(a)4. Because the standards are the same, a finding of no disability for Social Security/SSI purposes made within 12 months of the MA application is binding on a State Medicaid (MA) agency. Exceptions may occur only if certain conditions exist such as allegations of a different disabling condition or changes in the previously considered conditions. None of the exceptions apply here. See 42 C.F.R. § 435.541(a); see also U.S. Department of Health and Human Services commentary, 54 Fed. Reg. 236 (1989).

Because petitioner has been denied Social Security/SSI following a finding of no disability, I must conclude that petitioner is not eligible for MA. *This MA decision has no effect on any appeal that the petitioner may have pending before the Social Security Administration for disability payments.* The petitioner was receiving health insurance through the BadgerCare Plus program at the time of hearing; this MA hearing decision will not affect his continued receipt of BadgerCare Plus coverage.

CONCLUSIONS OF LAW

Petitioner is not disabled as that term is used for MA purposes pursuant to Wis. Stat. § 49.47(4).

THEREFORE, it is

ORDERED

That the petition for review is dismissed.
