PRELIMINARY RECITALS

Pursuant to a petition filed August 29, 2014, under Wis. Stat. § 49.45(5)(a), to review a decision by the Milwaukee Enrollment Services in regard to Medical Assistance, a telephonic hearing was held on September 30, 2014, at Milwaukee, Wisconsin.

The issue for determination is whether Milwaukee Enrollment Services (MES) correctly discontinued the petitioner's BadgerCare Plus eligibility effective August 1, 2014, due to household income above the 100% MAGI income limit of \$1,987.50 for a group of four.

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Milwaukee County who resides with his wife, and their two children.
2. The petitioner's household received BadgerCare (BC) Plus benefits.

3. Petitioner is employed at [REDACTED], and receives monthly earned income of \$1,333.52.
4. Petitioner's husband, [REDACTED], is employed at [REDACTED], and receives monthly earned income of \$990.80.
5. The petitioner's household's total gross income is \$2,342.32.
6. Milwaukee Enrollment Services (MES) sent a July 17, 2014 notice to the petitioner stating that effective August 1, 2014 his BadgerCare (BC) Plus eligibility would discontinue due to household income above the 100% FPL of \$1,987.50 for a household of four per BadgerCare Plus Eligibility Handbook, 16.1.1, "Income Limits.

DISCUSSION

BadgerCare Plus is a Wisconsin variant of the MA program, for non-elderly, non-disabled Wisconsin residents. The program's nonfinancial eligibility standards were broadened effective April 1, 2014, to include adults who do not have minor children in their home. Wis. Stat. § 49.45(23); 2013 Wisconsin Act 116, § 29, for effective date; *BadgerCare Plus Eligibility Handbook (BCPEH)*, § 2.1, online at <http://www.emhandbooks.wisconsin.gov/bcplus/bcplus.htm> (viewed in March 2014). The petitioner meets the nonfinancial eligibility tests for the program.

The petitioner must also pass an income test. An eligible applicant cannot have adjusted gross income exceeding 100% of the federal poverty level (FPL). Wis. Stat. § 49.45(23)(a); *BCPEH*, § 16.1. The 100% FPL amount is \$972.50 monthly for a household of one, and **\$1,987.50** for a household of four persons in 2014. *Id.*, § 50.1.

The Department has correctly counted the petitioner's monthly earned income of \$1,333.52 and her husband's monthly earned income of \$990.80. The petitioner did not dispute the earned income amount budgeted for herself or her husband. From gross income, the Department is allowed to subtract only those income tax deductions listed on lines #16 - #19 of the federal 1040A tax return, subject to modifications listed at 42 C.F.R. § 435.603(e). The petitioner was unable to identify any of these adjusted gross income deductions as being applicable in this case. The petitioner was unable to refute that his countable household income does exceed 100% FPL for a household of four persons. Accordingly, based upon the above, I must conclude that Milwaukee Enrollment Services correctly discontinued the petitioner's BadgerCare Plus eligibility effective August 1, 2014, due to household's income above the 100% MAGI income limit of \$1,987.50 for a group of four.

CONCLUSIONS OF LAW

1. The petitioner's household income does exceed the relevant 100% MAGI FPL limit for BCP eligibility for a household of four.
2. Milwaukee Enrollment Services correctly discontinued the petitioner's BadgerCare Plus eligibility effective August 1, 2014, due to household's income above the 100% MAGI income limit of \$1,987.50 for a group of four.
