DECISION

MAC/161295

PRELIMINARY RECITALS

Pursuant to a petition filed October 16, 2014, under Wis. Stat. § 49.497(1m)(a), to review a decision by the Dane County Department of Human Services in regard to Medical Assistance (MA)/BadgerCare Plus, a hearing was held on December 11, 2014, by telephone.

The issue for determination is whether the Department has incorrectly determined that the petitioner has not paid on an overpayment liability.

There appeared at that time the following persons:

FINDINGS OF FACT

- 1. Petitioner (CARES # Redact) is a resident of Sauk County.
2. The petitioner received MA/BCP benefits from at least April 2013, through December 2013. She failed to report increased income to the agency during this period, and a \$4,415 overpayment for

the period resulted. An MA overpayment notice was issued to the petitioner on April 22, 2014, and was followed by a repayment agreement (May 2, 2014) and dunning letters (June 3, 2014, July 2, 2014, and August 4, 2014). The petitioner did not respond to these documents.

3. The Department issued an Order to Compel Payment of Liability to the petitioner on September 20, 2014.
4. The petitioner has made no payments towards the \$4,415 overpayment. At hearing, she indicated her desire to enter into a repayment agreement at this time.

DISCUSSION

Following issuance of an MA/BCP overpayment notice, a person who then fails to enter into or adhere to a repayment agreement may be subject to an order to compel payment of that liability:

49.497(1m)(a) (a) If, after notice that an incorrect payment was made, a recipient, or parent of a minor recipient, who is liable for repayment of an incorrect payment fails to repay the incorrect payment or enter into, or comply with, an agreement for repayment, the department may bring an action to enforce the liability or may issue an order to compel payment of the liability. Any person aggrieved by an order issued by the department under this paragraph may appeal the order as a contested case under [ch. 227](#) by filing with the department a request for a hearing within 30 days after the date of the order. *The only issue at the hearing shall be the determination by the department that the person has not repaid the incorrect payment or entered into, or complied with, an agreement for repayment.*

(emphasis added)

Wis. Stat. §49.497(1m)(a).

The petitioner does not contest that she was overpaid, the amount of the initial or current overpayment liability, or that she has not entered into a repayment agreement. The petitioner did assert that, due to her husband's health problems (terminal cancer), raising three children, and working, management of her paperwork got away from her. She wishes to enter into a repayment agreement, and was advised at hearing to contact the Wisconsin PACU at 1-800-943-9499 to inquire if participating in such an agreement is still possible. Because there is no factual dispute that the petitioner has not repaid the overpayment, and has not entered into a repayment agreement by the time of hearing, there is no issue for this administrative law judge to decide herein.

CONCLUSIONS OF LAW

Because there is no factual dispute that the petitioner has not repaid the overpayment, and has not entered into a repayment agreement by the time of hearing, there is no issue for this administrative law judge to decide herein.

THEREFORE, it is

ORDERED

That the petition is dismissed.
