FINDINGS OF FACT

- 1. Petitioner (CARES # [Redacted]) is a resident of Wood County.

2. Prior to November 1, 2014, the petitioner received State Supplemental SSI payments. The Department notified the petitioner on October 17, 2014, that his State Supplemental SSI benefits would be discontinued effective November 1, 2014. Exhibit 2. The petitioner appealed.
3. Prior to November 1, 2014, the federal Social Security Administration (SSA) notified the petitioner that his federal SSI payments would be discontinued on or before November 1, 2014.

**DISCUSSION**

Effective January 1, 1996, the State of Wisconsin began sending out its State Supplemental SSI payments separately from federal SSI payments (they had previously been sent out as one check by the Social Security Administration). The state statute that lists the eligibility criteria for State Supplemental SSI payments reads as follows:

**49.77 State supplemental payments.**

...

**(2) ELIGIBILITY.** (a) *The following persons who meet the resource limitations and the nonfinancial eligibility requirements of the federal supplemental security income program under 42 USC 1381 to 1383d are entitled to receive supplemental payments under this section:*

...

2. *Any needy person or couple residing in this state and receiving benefits under federal Title XVI.*

3. Any needy person or couple residing in this state whose income, after deducting income excludable under federal Title XVI, is less than the combined benefit level available under federal Title XVI and this section, if at least one of the following requirements are met:

a. The person or couple was eligible for a state supplement under this section based on the last federal eligibility determination prior to January 1, 1996, but was not eligible to receive a payment under federal Title XVI on that date.

4. Any essential person.

*(emphasis added)*

Wis. Stat. § 49.77(2). The State sought discontinuance of the State Supplemental benefit because it believed that petitioner did not meet the nonfinancial eligibility requirements of the federal SSI (*i.e.*, Title XVI) program as of November 2014, based on information provided by the SSA.

*If the petitioner is nonfinancially eligible for federal SSI, he is nonfinancially eligible for State Supplemental SSI. Because he did not establish at hearing that he is currently eligible for federal SSI, it follows that he is not currently eligible for State Supplemental SSI. The petitioner did not testify that he is currently receiving SSI, and indicated that he has appealed his federal discontinuance to the Social Security Administration. This ALJ viewed the Department’s Social Security Administration cross-matched database after hearing,*

and could find no record that the petitioner is currently receiving federal SSI. Accordingly, I conclude that the state benefit discontinuance was correct.

**CONCLUSIONS OF LAW**

1. The Department correctly discontinued the petitioner’s State Supplemental SSI payments effective November 1, 2014, because the petitioner was not eligible for federal SSI at that time.

**THEREFORE, it is ORDERED**

That the petition is dismissed.
