FINDINGS OF FACT

1. Petitioner is a resident of Dane County.
2. The petitioner was receiving Wisconsin State SSI during the period of June, 2014, because of receipt of federal Supplemental Security Income (SSI) from the Social Security Administration (SSA).

3. On September 18, 2014, the State of Wisconsin SSI Unit sent a notice to the petitioner which indicated that petitioner received a State SSI overpayment in the amount of \$130.43 for the month of June, 2014.
4. The State SSI program sent an October 10, 2014 summary letter to the Division of Hearings and Appeals (DHA) indicating that petitioner received a State SSI overpayment of \$130.43 for the period of June, 2014, due to petitioner not receiving federal SSI during that same period due to above the income eligibility limit (excess countable income (NO1)).
5. The petitioner was unable to provide any evidence to establish that petitioner was eligible for federal SSI during the period of June, 2014 or that Social Security had reversed its federal SSI overpayment during that same period.

DISCUSSION

Wisconsin law requires the Department of Health Services to recover any overpayments of assistance, regardless of fault. Overpayments are collected from state SSI or caretaker supplement payments at a rate of 10% of the total overpayment each month. Wis. Adm. Code § DHS 79.40. "Incorrectly paid benefits" means that the recipient was not eligible for the benefits during the period they were paid. Wis. Adm. Code § DHS 79.30(2). The petitioner was eligible for state SSI benefits only if petitioner met the requirements of the federal program found in 42 USC 1381 through 1383d. Wis. Stat. § 49.77(2). This means that **petitioner must have properly received federal SSI to receive state SSI**. See Wis. Stat. § 49.77(2)(a)2; See also 20 C.F.R. §416.2025(b)(4).

During the December 16, 2014 hearing, petitioner was unable to provide any evidence to establish that he was eligible for federal SSI during the period of June, 2014, or that Social Security had reversed its federal SSI overpayment due to over the income eligibility limit. Therefore, petitioner was not eligible for state SSI benefits because he was not eligible for federal SSI during the overpayment period in question. Accordingly, based upon the above, I must conclude that the Department is correctly seeking to recover from the petitioner an overpayment of State SSI Supplement payments for the month of June, 2014.

CONCLUSIONS OF LAW

The Department is correctly seeking to recover an overpayment of State SSI Supplement payment from the petitioner for the month of June, 2014.

THEREFORE, it is

ORDERED

The petition for review herein be and the same is hereby Dismissed.
