DECISION

CWA/161248

PRELIMINARY RECITALS

Pursuant to a petition filed October 15, 2014, under Wis. Admin. Code § HA 3.03, to review a decision by The Management Group [“TMG”] in regard to Medical Assistance [“MA”], a Hearing was held on January 21, 2015 at the Division of Hearings and Appeals [“DHA”] in Madison, Wisconsin. The Hearing for this matter was held at the same time as the Hearing for the following 5 closely related matters concerning the same petitioner: CWA-161243; CWA-161244; CWA-161245; CWA-161246; and, CWA-161247. At petitioner’s request a Hearing scheduled for December 9, 2014 was rescheduled.

The issue for determination is whether it was correct for TMG to deny funding under the Include, Respect, I Self-Direct program [“IRIS”] for tickets for both of petitioner’s 2 paid caregivers to attend a Boys’ and Girls’ Club event.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. Petitioner (25 years old) is a resident of Wood County, Wisconsin.
2. Petitioner has diagnosis of autism, seizure disorder, encephalopathy, right sided hemiparesis, epilepsy, and developmental delays; he has substantial physical limitations in the areas of self-care, self-direction, learning, mobility, manual tasks, communication, and capacity for independent living; he is non-verbal, incontinent of bladder and bowel, and will lash out aggressively (hit, bite, kick, grab hair, pinch, put others in headlocks).
3. Petitioner lives with his mother, father, and brother.
4. Petitioner's paid caregivers through the IRIS program are his mother and his father (his brother also sometimes helps with cares).
5. Petitioner's 2 paid caregivers (his mother & father) may accompany petitioner to events and will receive their regular pay from IRIS for doing so.
6. Petitioner requested IRIS funding for tickets for both of his 2 paid caregivers (his mother & father) to attend a Boys' and Girls' Club event (petitioner's current IRIS budget is approximately \$10,000 per month).
7. By a *Notice of Action -- IRIS Program* dated October 1, 2014, TMG denied petitioner's request for IRIS funding for tickets for both of his 2 paid caregivers (his mother & father) to attend a Boys' and Girls' Club event; TMG approved IRIS funding for a ticket for 1 of his paid caregivers to attend a Boys' and Girls' Club event.

DISCUSSION

The IRIS program is a Home and Community Based Services program authorized under §1915 (c) of the Social Security Act and as approved by the Centers for Medicare and Medicaid Services ["CMS"]. The program provides funding for certain, specifically defined services to enrolled IRIS participants. In all cases, it is the expectation that natural and community supports or Medicaid card-coverable services will be used whenever available and that paid supports with funding from the IRIS program are the last means of obtaining those supports. Services approved on IRIS participant plans must be directly connected to individualized participant Long Term Care outcomes. *Medicaid IRIS Services Definitions and Codes Manual*, page 1.

Wisconsin is required to assure financial accountability for funds expended for IRIS. 42 C.F.R. § 441.302(b) (2012). In this regard, services funded by IRIS must be cost-effective and necessary to avoid institutionalization. 42 C.F.R. § 440.180(b)(9) (2012). IRIS funds must be used to pay for items that increase a participant's independence or substitute for human assistance. 42 C.F.R. § 440.482(b) (2012). Specifically, IRIS funds may not be used to pay for costs associated with trips (although IRIS funds may be used to pay for caregiver time while on a trip). *IRIS Funding for Goods, Supports and Services*,

Policy: SC 16.1, Effective Date September 1, 2010 ["Policy 16.1"], page 4. Additionally, goods, supports, and services that primarily benefit someone else are not covered by IRIS¹. Policy 16.1, page 4.

Given all of the above, it was correct for TMG to deny IRIS funding for tickets for both of petitioner's 2 paid caregivers (his parents) to attend a Boys' and Girls' Club event. Petitioner's parents argue that petitioner requires 2 caregivers to meet his needs (for instance, his toileting needs). If that is the case then both of petitioner's caregivers (his parents) should accompany petitioner to events and they will receive their regular pay from IRIS for the cares they provide -- but one will have to pay for their own ticket the Boys' and Girls' Club event.²

CONCLUSIONS OF LAW

For the reasons discussed above, it was correct for TMG to deny IRIS funding for tickets for both of petitioner's 2 paid caregivers to attend a Boys' and Girls' Club event.

NOW, THEREFORE, it is

ORDERED

That the petition for review herein be and the same is hereby DISMISSED.

¹ Parents normally pay for their own tickets when accompanying their children to events. Thus, petitioner's parents should pay for their own tickets when accompanying petitioner to events. IRIS pays petitioner's parents for the care they must provide to petitioner due to his condition.

² It is noted that TMG has also approved IRIS funding for 1 paid caregiver (1 of his parents) for the cost of tickets to 6 Rafter's games (local baseball) and an SDS Conference. The purpose of this is to enhance petitioner's inclusion and presence in the community. Policy 16.1, pages 1 & 2.
