PRELIMINARY RECITALS

Pursuant to a petition filed December 27, 2014, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Division of Health Care Access and Accountability in regard to Medical Assistance, a hearing was held on February 17, 2015, at Portage, Wisconsin.

Division of Hearings and Appeals

FINDINGS OF FACT

1. Petitioner is a resident of Columbia County.

2. On 9/29/14, National Seating and Mobility submitted a PA request for petitioner for a power wheelchair in the amount of 6,544.69.
3. The Department denied the request on the basis that the need was not demonstrated and that a scooter may be a more cost-effective option.
4. Petitioner appealed.

DISCUSSION

At the time of hearing, petitioner conceded that a scooter may be a viable option. She stated that she had never considered a scooter. A home trial of a scooter may be possible and would help the petitioner determine whether a scooter is a practical option for her. If not, she will then possibly be in a stronger position to justify a more expensive option. Petitioner understood the Department's position and stated that she would look into a scooter with her provider.

CONCLUSIONS OF LAW

The Department did not err in its denial.

THEREFORE, it is **ORDERED**

That this appeal is dismissed.
