DECISION

FOO/163104

PRELIMINARY RECITALS

Pursuant to a petition filed January 7, 2015, under Wis. Admin. Code, §HA 3.03(1), to review a decision by the Dane County Dept. of Human Services to reduce FoodShare benefits (FS), a hearing was held on January 28, 2015, by telephone.

The issue for determination is whether the agency correctly determined petitioner's FS due to a change in in Department policy.

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Dane County.
2. Petitioner receives FS as a one-person household. He received \$99 in FS in December, 2014.
3. Petitioner had an FS review in December, 2014. He reported no changes. His utilities are included in his rent. He did not receive Energy Assistance in the past year.

4. The Department changed its policy toward counting shelter expenses in the FS determination. Previously all FS households received a \$446 utility expense. The policy changed to provide that only expenses actually paid by the household can be counted. As a result of the changes, petitioner's FS decreased to \$16 effective January 1, 2015.

DISCUSSION

In determining the amount of FS to be issued each month, the county must budget all of the recipient's nonexempt income. 7 C.F.R. §273.9(b). From that income, certain deductions are allowed. The deductions include a standard deduction, which currently is \$155 per month. 7 C.F.R. §273.9(d)(1); FS Handbook, Appendix 4.6.2. Another deduction is the earned income deduction, which equals 20% of the household's total earned income. 7 C.F.R. §273.9(d)(2); FS Handbook, App. 4.6.3. A third possible deduction is for medical expenses exceeding \$35 in a month for elderly or disabled persons. 7 C.F.R. §273.9(d)(3); FS Handbook, App. 4.6.4. A fourth deduction is for child/dependent care. 7 C.F.R. §273.9(d)(4); FS Handbook, App. 4.6.6. The final deduction is for shelter expenses; the deduction is equal to the excess expense above 50% of net income remaining after other deductions. 7 C.F.R. §273.9(d)(5); FS Handbook, App. 4.6.7.

In December, 2014, petitioner's shelter deduction was \$346.11 resulting from rent of \$231 and a utility expense of \$446. For January he received no shelter deduction because his rent was just \$251 with no utility expense. The \$251 shelter expense was less than one-half of petitioner's income (\$816.78 income minus \$155 standard deduction equals \$661.78; one-half of that is \$330.89).

Prior to the federal 2014 Farm Bill the Wisconsin Department of Administration issued an annual energy assistance payment of \$1 to all FS households who were not already receiving energy assistance. This policy allowed Wisconsin to grant all FS households the Heating Standard Utility Allowance of \$446. Actual utility usage did not matter.

The 2014 Farm Bill changed this practice. The 2014 Farm Bill requires a household to have received an energy assistance payment of greater than \$20 to receive the \$446 utility standard. 7 U.S.C. 2014(e)(6)(C)(ii)(I). Therefore households that do not receive energy assistance receive the utility standard based on the utility obligation actually incurred by the household. Petitioner did not receive energy assistance and he has no utility obligation.

I must conclude that the agency correctly reduced petitioner's FS. The change was due to a change in policy that was forced by federal FS law. Petitioner testified that the reduction has left him in a difficult financial situation. However, the Division of Hearings and Appeals does not have authority to order a higher FS amount than the amount calculated by the FS rules.

CONCLUSIONS OF LAW

The agency correctly reduced petitioner's FS due to a reduction in his shelter expense.

THEREFORE, it is ORDERED

That the petition for review herein be and the same is hereby dismissed.
