DECISION

PRELIMINARY RECITALS

Pursuant to a petition filed March 02, 2015, under Wis. Admin. Code § HA 3.03(1), to review a decision by the Milwaukee Enrollment Services in regard to FoodShare benefits (FS), a hearing was held on March 18, 2015, at Milwaukee, Wisconsin.

The issue for determination is whether the agency erred in the reduction of FS due to a change in the law.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Milwaukee County.
2. Petitioner receives FS as a one-person household. He received \$148 in FS in March 2015.
3. Petitioner had a review in February 2015. He reported that his rent was \$500. Heat and electricity are included in the rent.

4. The Department changed its policy toward counting shelter expenses in the FS determination. Previously all FS households received a \$450 utility expense. The policy changed to provide that only expenses actually paid by the household can be counted. As a result of the changes, petitioner's FS decreased to \$46 effective April 1, 2015.

DISCUSSION

In determining the amount of FS to be issued each month, the county must budget all of the recipient's nonexempt income. 7 C.F.R. §273.9(b). From that income, certain deductions are allowed. The deductions include a standard deduction, which currently is \$152 per month. 7 C.F.R. §273.9(d)(1); FS Handbook, Appendix 4.6.2. Another deduction is the earned income deduction, which equals 20% of the household's total earned income. 7 C.F.R. §273.9(d)(2); FS Handbook, App. 4.6.3. A third possible deduction is for medical expenses exceeding \$35 in a month for elderly or disabled persons. 7 C.F.R. §273.9(d)(3); FS Handbook, App. 4.6.4. A fourth deduction is for child/dependent care. 7 C.F.R. §273.9(d)(4); FS Handbook, App. 4.6.6. The final deduction is for shelter expenses; the deduction is equal to the excess expense above 50% of net income remaining after other deductions. 7 C.F.R. §273.9(d)(5); FS Handbook, App. 4.6.7.

Prior to the federal 2014 Farm Bill the Wisconsin Department of Administration issued an annual energy assistance payment of \$1 to all FS households who were not already receiving energy assistance. This policy allowed Wisconsin to grant all FS households the Heating Standard Utility Allowance of \$450. Actual utility usage did not matter.

The 2014 Farm Bill changed this practice. The 2014 Farm Bill requires a household to have received an energy assistance payment of greater than \$20 to receive the \$450 utility standard. 7 U.S.C. 2014(e)(6)(C)(ii)(I). Therefore households that do not receive energy assistance receive the utility standard based on the utility obligation actually incurred by the household. Petitioner did not receive energy assistance and does not pay separate utilities.

I must conclude that the agency correctly reduced petitioner's FS. The change was due to a change in policy that was forced by federal FS law. Petitioner testified that the reduction has left him in a difficult financial situation because he will run out of money before the end of the month. However, the Division of Hearings and Appeals does not have authority to order a higher FS amount than the amount calculated by the FS rules.

CONCLUSIONS OF LAW

The agency correctly reduced petitioner's FS due to a reduction in his shelter expense.

THEREFORE, it is

ORDERED

That the petition for review herein be and the same is hereby dismissed.
