PRELIMINARY RECITALS

Pursuant to a petition filed June 12, 2015, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Dane County Department of Human Services in regard to Medical Assistance-related benefits, a hearing was held on July 28, 2015, by telephone.

The issue for determination is whether the county agency correctly determined that the petitioner was not eligible for SLMB+ benefits effective May 1, 2015.

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Dane County.

- [REDACTED]
2. The petitioner is an ongoing recipient of some form of Medical Assistance (MA). As of January 2015, he was participated in an MA Community Waiver program. His case underwent an annual review in January 2015, with verification being received by the agency in February 2015.
 3. On February 9, 2015, the Department issued written notice to the petitioner advising that his SLMB+/Medicare Premium Assistance would be discontinued effective March 1, 2015. The basis for discontinuance was that his income exceeded the SLMB limit, which is the highest limit available to him while in an MA Community Waiver program. Exhibit 1. The petitioner appealed.
 4. The petitioner does not contest that he is in an MA Community Waiver program. Also, he does not contest that his gross income is \$1,301.99 (\$1,103 gross Social Security and \$198.99 pension).

DISCUSSION

Medicare is the health insurance program administered by the federal Centers for Medicare & Medicaid Services (CMS) for people over 65 and for certain younger disabled people. Medicare is divided into two types of health coverage. Hospitalization Insurance (Part A) pays hospital bills and certain skilled nursing facility expenses. Medical Insurance (Part B) pays doctors' bills and certain other charges.

Medicare is an insurance program that charges premiums. Wisconsin *Medical Assistance* (MA) pays some or all Medicare premiums for eligible persons through the subprograms described below:

1. Qualified Medicare Beneficiary (QMB).
2. Specified Low-Income Medicare Beneficiary (SLMB).
3. Specified Low-Income Medicare Beneficiary Plus (**SLMB+**), also known as Qualifying Individuals – 1 (QI-1).
4. Qualified Disabled and Working Individuals (QDWI).

MA Eligibility Handbook (MEH), 32.1.1, online at <http://www.emhandbooks.wisconsin.gov/meh-ebd/meh.htm>. QMB pays for Medicare Part A and B premiums, SLMB and SLMB+ pay Medicare Part B premiums, and QDWI pays Part A premiums. *Id.*, §32.1.3. Subprograms 1 through 4 are collectively referred to as Medicare Premium Assistance programs.

The income limit for QMB is up to 100% of the federal poverty level. For SLMB the limit is from 100% to 119%, and for SLMB+ it is 120% to 134% of the federal poverty level. *MEH*, 32.2 – 32.5. Gross income is used in income testing. *MEH*, 15.1.5 & 32.1.1.

In 2015, 100% of the federal poverty level for one person is \$980.83 monthly, 120% is \$1,177.00, and 135% was \$1,324.

Because the petitioner's income of \$1,301.99 exceeds the SLMB amount (\$1,177), the agency declined to provide him with the SLMB form of Medicare Premium Assistance. The SLMB+ level is not available to the petitioner, per federal conditions imposed on the program. *MEH*, § 32.4.1. Thus, the agency acted correctly here.

CONCLUSIONS OF LAW

1. The county agency correctly determined that the petitioner was not eligible for Medicare Premium Assistance effective March 1, 2015, due to excess income.

THEREFORE, it is

ORDERED

That the petition is dismissed.
