The issue for determination is whether the agency correctly discontinued Petitioner's FoodShare for failing to meet Able-Bodied Adult without Dependent (ABAWD) work requirements.

FINDINGS OF FACT

- 1. Petitioner (CARES # [redacted]) is a resident of Washington County.
2. Petitioner filed this appeal to contest the discontinuance of his FoodShare benefits effective August 1, 2015. Those benefits were discontinued for failure to participate in the FoodShare Employment and Training (FSET) program as an Able-bodied Adult Without Dependents (ABAWD) who was required to meet a work requirement.
3. Petitioner was an ongoing FoodShare recipient since May 2014. He is a FoodShare household of 1.

4. Petitioner was referred to the FSET program as an Able Bodied Adult Without Dependents in May 2015.
5. Petitioner contends that he should be exempt from FoodShare ABAWD requirements as he is disabled.
6. Petitioner has not been determined to be disabled by the Social Security Administration's SSI program nor the State Medicaid program or any other program. Medical documentation indicates that Petitioner has some lower back tenderness and pain.
7. Petitioner's time limited FoodShare benefits have been received for the months of May, June and July 2015.

DISCUSSION

Effective July 1, 2014, Wisconsin began the Able-Bodied Adults without Dependents (ABAWD) policy in Kenosha, Racine and Walworth counties. *FoodShare Wisconsin Handbook (FSH) §3.17.1.2*. This was implemented statewide as of April 1, 2015. *Id.*

Under ABAWD rules, childless, able-bodied adults must either meet ABAWD work requirements or be exempt from the work requirement in order to receive FoodShare benefits. *FSH §3.17.1.1*. ABAWDs who are not exempt and who do not meet the work requirement are only allowed to receive 3 full months of time-limited benefits in a 36-month period. *Id.*

A person is considered an ABAWD, if that person is:

- ...
- 18 to 49 years in age*;
- Able to work;
- Not residing in a household with a child under age 18 (regardless of the individual's relationship to the child, whether the child is included in the individual's FS assistance group, or the child's FS eligibility status); and
- Not pregnant.

...
FSH §3.17.1.4.

An ABAWD may be exempt from work requirements if the person:

1. Is determined unfit for employment, which includes someone who is:
 - a) Receiving temporary or permanent disability benefits from the government or a private source;
 - b) Mentally or physically unable to work, as determined by the IM agency;
 - c) Verified as unable to work by a statement from a health care professional or social worker;
2. Is responsible for the care of a child under age 6 or caring for an incapacitated person, either of which live outside the home;
3. Is receiving Unemployment Compensation (UC), or has applied for UC and is complying with UC work requirements;
4. Is regularly participating in an alcohol or other drug addiction (AODA) treatment or rehabilitation program;
5. Is a student of higher education and is otherwise eligible for FS ([3.15.1](#));
6. Is a full-time high school student age 18 or over;
7. Is receiving Transitional FS benefits; or
8. Is meeting the ABAWD work requirement.

FSH §3.17.1.5.

Petitioner has not been determined to be disabled nor does he receive any disability benefits. His medical documentation does indicate that he has some lower back issues but falls short of indicating that he is unable to work.

CONCLUSIONS OF LAW

That the documentation is not sufficient to demonstrate that Petitioner is exempt from ABAWD FoodShare work requirements so FoodShare has been correctly discontinued as 3 months of time limited benefits have been used.

NOW, THEREFORE, it is ORDERED

That this appeal is dismissed.
