To the Board,

Your action last summer to limit access to public records IS UNCONSCIONABLE AND MUST BE RESCINDED. You have no authority to unilaterally change the Wisconsin Open Records Law. Public records are, and must remain, just that – public. It doesn't matter what form they take. E-mails, text messages, and the like are just as much public records as any other format when they are sent and received in the conduct of public business. **DO YOUR JOB PROPERLY OR RESIGN!** I will be monitoring your votes on this matter and will keep them in mind when the fall elections occur.
