Subject: Access to public records.....

Dear Public Records Board Members:

I am outraged that you would even consider limiting access to public records – we, the tax-paying public, own these records and should have complete access.

I am urging you to vote to **rescind** your **sneaky action** to limit access to text messages, email records, Facebook posts and any other electronic communications by public employees.

Shame, shame, shame on you for your unconscionable conduct in public office.

Sincerely,

Cara M DiMonte
