**Subject:** Against Any Changes to Wisconsin's Open Record Laws

Ladies and Gentlemen,

I am writing you tonight to express my concern at your attempt to destroy the open and transparent government that Wisconsinites have grown to expect. I can think of no good reason for secrecy in our state's government. It is actions like this that make people distrust their government and hate politicians. Once again, I am against any changes to our state's open record laws.

Brian Panicucci
