TO: PUBLIC RECORDS BOARD, State of Wisconsin

Dear Board Members, and others to whom it may concern,  
I am gravely concerned about Wisconsin republican efforts to alter, change, and jerry-rig our Open Records Laws. There can be NO valid justification for these efforts--only an obvious rush to hide what is going on in our state government.

The Walker administration has weakened or eviscerated EVERY SINGLE oversight group that would monitor their inner workings, and hold them responsible for their actions. They have written new laws to prevent themselves from being indicted on crimes against the people. OPEN RECORDS ARE THE LAST line of transparency we the people have to even attempt to bring state government back to honest.y. Republican's relentless efforts to sneak through changes that would NOT BE OF BENEFIT TO THE PEOPLE OF THE STATE OF WISCONSIN ARE BLATANT CORRUPTION.

I beg of you to find a way to stop the proposed destruction of Wisconsin's open records laws, and to SAVE decent, honorable, TRUTHFUL government that is by and for the people.

Sincerely,

Sheryl Voita
