To : Matthew Blessing and the Public Records Board

**You and the Public Records Board need to rescind your action to limit access to text messages, emails, Facebook posts and any and all other electronic communications by public employees.**

**Why would you want to limit access to electronic communications by public employees??**

**What do public employees have to hide from the citizens of the state??**

**Citizens of Wisconsin have a right to see any electronic communications.  
Rescind your action on electronic communications.**
