Subject: DO NOT LIMIT ACCESS TO PUBLIC RECORDS!

To: The Wisconsin Public Records Board:

It's unconscionable that the Public Records Board is making it possible for the Republican Congress and Governor Walker to hide their shady dealings by denying our access to PUBLIC records. It makes no difference if the records are considered "transitory" or electronic, the citizens of Wisconsin are entitled to know how their tax dollars are being spent, and whether or not our elected officials are acting ethically (or legally). Please **DO NOT** implement your misguided plan to limit electronic records (emails, texts, social media communication) from our elected officials. The people of Wisconsin deserve better and we will not stand for this surreptitious power play.
