Subject: Do not limit access to public records in Wisconsin

Please do not limit access to public records in Wisconsin. There will be consequences in this election year for those Wisconsin legislators who try to curb access to government. Wisconsin legislators are employees of Wisconsin voters and they can be removed if they want to hide what they are doing with regard to emails, Facebook postings, text message and any other media that pertain to the business of government.

Thanks for this opportunity to communicate my concerns to you.
