Subject: Do not tamper w. Open Records Laws

Public Records Board of Wisconsin:

Do not tamper with our Open Records Laws by limiting access to electronic records, such as emails, Facebook, etc. Anything done in secret, in the shadows and in darkness, cannot be good. As citizens of the great State of Wisconsin, we have a right to know what our state leaders are writing, saying and doing. As our servants, we depend on your doing the right thing.

Respectfully submitted,
