Chairman Mathew Blessing, Senator Chris Kapenga, Representative Cindi Duchow:

Whose communications/agenda are you trying to hide, to keep secret?

It certainly isn't mine, yet I am one of the people voting in this state and in this country, which means I have a right to know. You are representing me and everyone else in this state.

Your communications/agenda are supposed to represent the **best interests of and for the people** in Wisconsin, which means you should not be afraid to let any and all people see and know what you are communicating and with whom you are communicating.

You should be conducting yourselves with integrity: being honest, trustworthy, fair, ethical and of good moral character. Are you? Stop looking for ways to be dishonest and deceitful. Conduct yourselves properly: with INTEGRITY.

Sincerely,  
Susan L. Theusch
