To the Public Records Board;

I agree 100% with the editorial published today in the Milwaukee Journal on the front page.

You have absolutely NO right whatsoever to restrict full and prompt and free access to any and all records, in any shape or form!

You need to be reminded that you are not here to serve the party in power, nor the governor, nor any of his wealthy masters; you are here to serve the people of Wisconsin. All of them. Democracy must always be served first.

Your attempts to restrict access to any records are shameful and dishonest! I oppose any restriction of records, and I oppose any legal permission for any records to be deleted, hidden, or destroyed, by anyone, ever. All of these records belong to the people of Wisconsin.

Preserve full access to all records NOW!

Shame on you all!
