**To:** DOA Public Records Board Comments  
**Subject:** Electronic Records Belong to Citizens

**I found it very disturbing that your board wants to limit the public's** access to text messages, emails, FB posts & other electronic communication by our public employees.

**It is my fervent request that you rescind your action to limit these** records.

**I found it ALMOST unbelievable that an issue of this magnitude** would get this far.

This is unacceptable!!
