Dear Sirs & Madam,

Please rescind your action to limit access to text messages, emails, Facebook posts, & all other electronic communications by public employees. This is a very dangerous & wrong slippery slope to go down. Wisconsin has been known for clean & open government in the past - let's keep it that way.

There will be consequences for this action both for the upcoming elections, but more importantly for the long term well being of our state.

PLEASE - RESCIND THIS VERY WRONG ACTION

Sincerely,
Mrs. Arlene Klavins
