Members:

Let's keep this simple.

Transparency is critical to great democracy.

Any public servant should understand and behave as if his communications may end up on the front page of the newspaper.

Someday, members of the other party will be in power, and we will all want to know what they are up to.

Don't ruin Wisconsin's tradition of open government.

Sincerely,

Charles S. Marn, MD

Professor of Radiology and Gastroenterology

Medical College of Wisconsin
