Subject: Electronic records access

We request the Public Records Board rescind its action to to limit access to text messages, emails, Facebook posts and other electronic communications by public employees. Transparent government has always been the rule in Wisconsin and its citizenry needs to stop the secrecy effort of the Public Records Board's August decision. We are also contacting our representative, senator and the governor concerning this decision to conduct the public's business in secrecy.

Donna and Bob Maccani, W135N8192 Green Hill Court, Menomonee Falls, WI 53051
